Audrey is one of those recruiters that treat you like a human being rather than a mere "resource". She truly aims to create the best match between talent and client by going far beyond the resume. As a particular (and sometimes a bit obnoxious, I admit) coach, she always displayed great patience with me, through questions, contract issues, etc. I highly recommend her for this award.

VACANCY FILLED : PMO

J'ai eu la chance de rencontrer Audrey dans un contexte différent de celui de la recherche d'emploi, c'était lors d'un événement organisé par Agile Tour Montréal. Elle semblait être une personne très passionnée par son métier, très professionnelle et engagée dans son rôle même en dehors des lieux de son travail... Quand le moment pour moi est venu d'être actif dans ma recherche d'emploi, le destin a fait très bien les choses! Car, nos chemins se sont de nouveau croisés alors que je postulais un poste où elle était responsable et donc les choses évoluer et j'ai obtenu le poste et je suis toujours en poste où Audrey m'a référé et cela fait presque deux déjà. Depuis, la nature de mon travail a changé depuis mon embauche! Désormais, je suis responsable du département pratique de gestion de projet (PMO) et directeur du département de développement et je passe donc en revue les candidatures proposées par Audrey et son équipe. Je recommande fortement Audrey comme recruteuse professionnelle qui n'a pas peur de vous dire la vérité sur le client cible dans le contexte que je suis le candidat et autant en tant que gestionnaire responsable de l'embauche des candidats qui m'est recommandée.
